### **About our shop and services:**

Our goal is to repair your vehicle and earn your repeat business. Our technicians service all makes and models. We have Master ASE in repair of Lexus, Toyota, BMW, VW, Mercedes, Audi, Honda and Acura as well as Domestic Automobiles.

**We offer low labor rates** and the option to utilize factory parts or original equipment manufacturer parts at a lower price. Our tire prices are lower than the discount chains and Nitrogen tire fills are available. We also have a no-touch state for the art tire machine to prevent damage to your rims while removing tires.

**We have state of the art diagnostic equipment** to accurately determine what repairs are needed, which saves our customers time and money.

**We accept all extended warranty contracts** with no trouble for you, as we will make all necessary phone calls to obtain warranty work approval.
